The Model Horizon

The horizon's line moves upwards. Horizon is the suspended minibar with a horizontal structure for wall or recessed installation. Its structure clears space on the floor. This model features an elegant glass door that opens downwards.

Freedom breaks all design rules, bringing the minibar out of its hiding place and transforming it into a piece of furniture that disregards gravity and finds its place under the spotlight.

Freedom breaks all design rules

Dimensions

Door type	Glass door	Installation type	Wall mounted
Cooling technology	Compressor	Refrigerant gas	R600a
Color	Bronze	Compartment type	Cooler
