### The Model K20 Ecosmart NA

K20 ECOSMART, with a capacity of 20 liters, has the possibility of reversing the door opening by inserting a panel, if desired. On request, a custom panel and a key lock can be fitted. The Ecosmart system allows you to reduce energy consumption and maximize the comfort of the guest in the room. The SNOOZE function also allows you to switch off the compressor (for 8 hours) by simply pressing the dedicated button located on the front of the minibar.

Eco-friendly, ultra-quiet and with an exclusive design.
