SAFEMARK

K20 Ecosmart PV Black NA

The Model K20 Ecosmart PV Black NA

K20 ECOSMART PV BLACK is distinguished by its unique design and the elegance of its dark semi-mirror glass door with ergonomic handle. It has a capacity of 20 liters. The glass door is reversible. The Ecosmart system allows you to reduce energy consumption and maximize the comfort of the guest in the room. The SNOOZE function also allows you to switch off the compressor (for 8 hours) by simply pressing the dedicated button located on the front of the minibar.

Eco-friendly, ultra-quiet and with an exclusive design.

Dimensions
