

WOBURN III

THE POWERFUL PERFORMER

RE-ENGINEERED WITH A WIDER SOUNDSTAGE

As the heavyweight speaker of the home line-up, Woburn III is guaranteed to fill any space with immersive, home-shaking Marshall signature sound. Woburn III has been re-engineered with a three-way driver system, with a more powerful 6" woofer in a bass-reflex cabinet (tuned lower than previous generations), two 3/4" tweeters and the addition of two 2" midrange drivers. This updated system delivers greater clarity in the midrange, crisp treble and more controlled bass that is so low it nearly reaches the lowest frequency perceivable by the human ear. Angled tweeters and updated waveguides have been added to deliver a consistently solid sound that is so wide it chases you around the room. Built-in Dynamic Loudness adjusts the tonal balance of the sound, ensuring your music sounds brilliant at every volume. Woburn III is ready for the future of Bluetooth technology and has been built ready to deliver next-generation Bluetooth features the moment they are available.

Marshall has taken its signature rock 'n' roll home speaker line-up and given it a stripped-back look that makes a loud statement. Its iconic design knocks all other speakers off the shelf. It may have an updated, cleaner look but Woburn III has never felt more Marshall. Choose the finish that fits you - original Black or vintage Cream. Woburn III has music at heart and the environment in mind. While staying true to the iconic design that speaks to the brand's heritage, this generation has a PVC-free build that comprises 70% recycled plastic and only vegan materials. Woburn III is straight to business, so you can just pair and play without the hassle of a complex set-up. Easily connect to your speaker from your device using Bluetooth, HDMI, RCA or 3.5 mm and get straight to listening. Add this iconic heavyweight speaker to your home and experience the most powerful Marshall sound.

HOME-SHAKING SOUND

Woburn III has an even wider soundstage than its predecessor, with immersive, home-shaking Marshall signature sound.

PAIR, PLAY & TURN IT UP

Woburn III is straight to business, so you can just pair and play without the hassle of a complex set-up.

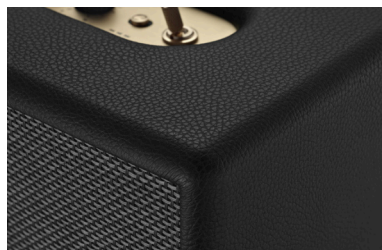

NEXT-GENERATION BLUETOOTH

Woburn III is ready for the future of Bluetooth technology. Built to deliver next-generation Bluetooth features.

UNIQUE & ICONIC DESIGN

Marshall has taken its signature rock 'n' roll home speaker line-up and given it a stripped-back look that makes a loud statement. Woburn III comes in two finishes so you can choose the one that fits you.

SUSTAINABLE APPROACH

While staying true to the iconic design that speaks to the brand's heritage, Woburn III has a PVC-free build that comprises 70% recycled plastic and only vegan materials.

CONNECT & CONTROL

With so many ways to connect to Woburn III, getting the right sound for listening to music or watching TV has never been so effortless.
